

TECHNICAL DATA

TransferRite – 6560

Low Tack. High grade saturated paper backing with specially formulated latex pressure sensitive adhesive for general purpose use as a pre-space and application tape.

Product Specifications	
Total Thickness	4.3
Tensile Strength	20
Elongation	3
Standard Roll Width (inches)	60" maximum width
Standard Roll Length (yards)	500 yds. Maximum length
Backing	Paper, Saturated
Adhesive Type	Rubber
Color	White
Adhesion (oz/in @ 180 ^o)	9.5
Printable Surface	Y
Shelf Life	30 months from date of manufacture
