

# ***TECHNICAL DATA***

## **TransferRite – 6760**

Low Tack. Premium, moisture resistant saturated paper backing with specially formulated latex pressure sensitive adhesive for use in applications where superior dimensional stability, humidity resistance, or long term storage stability is required.

Product Specifications	
Total Thickness	5.4
Tensile Strength	21
Elongation	14
Standard Roll Width (inches)	60" maximum width
Standard Roll Length (yards)	500 yds. Maximum length
Backing	Paper, Saturated
Adhesive Type	Rubber
Color	White
Adhesion (oz/in @ 180°)	11
Printable Surface	Y
Shelf Life	30 months from date of manufacture
