Visit Tekra at Booth #2247 at the 2013 SGIA Show

New Berlin WI - Tekra has official signed up for the 2013 SGIA Expo in Orlando, Florida. Taking place October 23 through the 25th, the SGIA Expo is a great show to see the full spectrum of imaging technologies and applications. Visit Tekra at booth# 2247, and you will find a wide array of new films and adhesives from great manufactures such as 3M, DuPont TeijinFilms, SABIC Innovative Plastics, and Tekra's own manufactured products for the screen print, digital, and wide format marketplaces. More information is to come on what products will be showcased as the show approaches.

Start making your plans early. For more information on the show, exhibitors, and housing, visit www.sgia.org. We hope to see you in Orlando in October!

Tekra Corporation has provided plastic film and adhesive solutions to the printing industry for over 40 years and to the digital films industry for nearly 15 years. Tekra offers proprietary coating technologies, converting services, and, through special supplier relationships, a full line of plastic substrates. Tekra is the North American authorized distributor and exclusive distributor to the North American medical diagnostic market for DuPont Teijin Films™, the authorized distributor for the polycarbonate film products of SABIC Innovative Plastics in the United States and Canada, and an Authorized Converter and Distributor for 3M adhesives.
